

## A Campout Packing List Scavenger Hunt!

We're going camping! Can you find...

...something that will help you see at night

---

...something that will keep you dry if it rains

---

...something that will help you eat your food

---

...something that will protect your skin from the sun

---

...something that will protect your skin from bugs

---

...something that will clean you off if you get dirty

---

...something that will keep you warm if you get cold

---

...something that will help you sleep when you get tired

---

...something that will help you if you get hurt

---

...something that will dry you off if you get wet

---

...something else you may need that we didn't think of!
