

Dear Parents and Campers:

Welcome to the "Mountains to the Bay" summer camp: July 15-19! Please go over the packing list together so that campers will be fully prepared for camp. *We will be holding camp rain or shine - please be sure that campers are dressed appropriately for the weather.* Below is a drop off/pick up schedule for the week:

Day	Drop off	Pick up	Location
Monday (7/15)	9am	3pm	Battle Creek (picnic pavilion)
Tuesday (7/16)	9am	3pm	Kings Landing (By the barn) *NEW*
Wednesday (7/17)	9am	3pm	Kings Landing (By the barn)
*Thursday (7/18)	7:30am		Kings Landing (Wisner Hall)
*Friday (7/19)		5:30pm	Kings Landing (By the barn)

* Thursday and Friday will be an overnight field trip to western Maryland to experience Antietam Creek and the Shenandoah River (Thursday is tubing, Friday is rafting). The return time on Friday may be slightly later or earlier depending on water levels in the river and traffic coming home. Thursday night, we will be tent camping at the Brunswick Family Campground (301-695-5177).

Sun block, a hat, and a 1 liter water bottle are "must haves" this week to protect campers from the sun and heat. I would also recommend wearing a sleeved shirt (not a tank top) to protect the shoulders from the sun - rash guards/surf shirts are great for this.

Please bring overnight gear to camp on Wednesday so the staff can pack the van that evening packed in the bag provided (on the first morning of camp). *Space will be limited - please pack lightly and only bring items included on the list.* Pack clothes in Ziploc bags labeled for each day and time (Thursday PM clothes go in one bag, Friday AM, Friday PM, etc...in separate Ziplocs) so each change of clothes is easier to find. Sleeping bags and pillows should NOT go in the bag with clothing, keep them separate

Please let me know the following before the first morning of camp (tania.gale@calvertcountymd.gov):

-- **Any health concerns** (including food allergies, diabetes, asthma, etc.)? Please send this information to me in writing before camp begins.

-- **Special meal needs** (vegetarians, allergies, etc.) I provide snacks on Thursday and Friday, dinner Thursday, and breakfast Friday. Lunch on Friday's rafting trip will be prepared by the outfitter. **For safety, campers will not be allowed to keep food in their tents.

-- **River and Trail Outfitters waivers** - each camper needs **two** waivers - one for Thursday (tubing) and another for Friday (rafting). Please sign these and turn them in on the first day of camp. Campers will not be allowed to attend the Harpers Ferry trip without these.

Campers will be expected to wear shoes at all times (even while swimming) at camp, so appropriate shoes are a must. Flip flops and crocs are not appropriate for the hiking, running, and wading we will be doing at camp. Campers will not be allowed to participate if they only have flip-flops or crocs. Sport-type sandals/water shoes are acceptable as long as they will not pull off in the mud. If you have comfortable "amphibious" shoes that can go from land to water and back - they make a great option vs. bringing a change of shoes - that's what I'll be wearing.

We will not tolerate bullying of any kind while at camp; campers found to be bullying other campers will be permanently expelled from all CCNRD summer camps.

If you have any questions, feel free to call me @ Battle Creek Nature Center at 410-535-5327 or by email @ "tania.gale@calvertcountymd.gov" I'm looking forward to our aquatic adventures this summer!

Sincerely,
Tania Gale, Naturalist
