### LOGISTICS

Thursday-Friday overnight-to western Maryland (Thursday is canoeing, Friday is rafting). Return time on Friday may be slightly later/earlier depending on water levels in the river and traffic coming home. We will be tent camping at the Brunswick Family Campground. Tents, dinner Thursday, breakfast, lunch, and snack Friday will be provided.

Late-comers/early departures-cannot usually be accommodated for this camp. Please alert me ASAP if you foresee any problems with this for your camper.

River and Trail Outfitters waivers-each camper needs **two** waivers - one for Thursday (canoeing) and another for Friday (rafting). Please fill these out **online** at least 2 weeks before camp begins. You will receive a invitation via email to a waiver for each day. Campers will not be allowed to attend the overnight without these. A separate waiver is needed for EACH camp for EACH day.

Camp forms-are due 2 weeks before camp. You may need these paper forms if: your child needs ANY medication during camp, you are carpooling with another family, or if your child has a severe allergy. Our camp forms are here: [Calvert Nature Society - Summer Camp Forms \(calvertparks.org\)](#). If none of these situations apply to you, we should have all your info from online registration. If you need to send in forms, please email me and I will send you a secure email to send back your forms.

Overnight gear- bring this to camp **Wednesday morning** so that staff can pack the van. Use the bag provided on the first morning of camp. *Space is limited-pack lightly and only bring items on the list.* Pack clothes in Ziploc bags labeled for each day/time so each change of clothes is easier to find. Sleeping bags/pillows will be separate from our duffle bags.

### HEALTH AND SAFETY

Please let me know of any of the following at least 2 weeks before camp begins ([tania.gale@calvertcountymd.gov](mailto:tania.gale@calvertcountymd.gov)):

--Any health concerns (including food allergies, diabetes, asthma, etc.).

--Special meal needs (vegetarians, allergies, etc.) Snacks, dinner Thursday, and breakfast Friday. Lunch on Friday’s rafting trip will be prepared by the outfitter. Campers may not keep food in their tents.

Long pants and long sleeves-Long pants/long-sleeved shirts provide necessary protection from the sun, biting insects, ticks, and branches/thorns in the water as we explore.

Appropriate footwear - Campers will be expected to wear shoes while at camp. Old sneakers or sport-type sandals/water shoes are acceptable as long as they will not pull off in the mud. If you have comfortable “amphibious” shoes that can go from land to water and back – they make a great option vs changing shoes. No flipflops or Crocs.

We will not tolerate bullying of any kind while at camp.

Questions? Reach me via email @ “[tania.gale@calvertcountymd.gov](mailto:tania.gale@calvertcountymd.gov)”. I’m looking forward to our aquatic adventures this summer!

Sincerely,

*Tania Gale*, Naturalist
