

INDOOR CAMPING FUN!

There are so many great ways to set up camp inside!

This video shows 3 simple ways to construct a fort indoors:

[Blanket Fort video](#)

For even more fort building examples, check out this extensive list of options! [Indoor Camping Alternatives](#)

A great thing to have on hand when building a fort are clips to help you hang up blankets. Here are some examples of clips you could use: [Clips](#)

If setting up indoors gives you campfire envy, make your own with this fun campfire craft! [Make Your Own Campfire](#)

If you are setting up in a spot where you have access to electronics, this video will serve as an excellent substitute to an actual campfire. It's 8 hours long, so you can even keep it playing all night! [Campfire Video](#)

Just because you don't have a real campfire doesn't mean you should miss out on campfire treats!

Here's how to make traditional s'mores in the oven! [Oven S'mores](#)

If you want to get a little more fancy, here are some delicious s'mores bars you can try instead! [S'mores Bars](#)
