

## Calvert County Great American Campout Let's get ready to camp!

Before you go camping, you need to make sure you have everything.  
Here are some ways to help you get ready for your adventure!

For a fun way to gather your stuff, try out this [Packing List Scavenger Hunt](#) or play a round of [Camping BINGO](#) and see who can fill up their board the fastest!

Here are some interactive camping checklists that allow you to digitally check off items as you pack:

- [REI camping list](#)
- [Love The Outdoors camping list](#)

If you're going to be bringing your dog along with you when you go camping, there are extra things you will need to have. Here is a great article that outlines everything you'll need to consider when going camping with man's best friend:  
[Camping with pets](#)

There are also additional items to consider when packing for a camping trip with:  
[Babies, preschoolers,](#) and [kids](#).

If you're going to be backpacking, your checklist is going to look very different. Here is an example of what you could take if you're planning to backpack, including 10 essential items.
